COUNTY OF BELMONT

)

KNOW ALL PERSONS BY THESE PRESENTS:

This Second Amended Declaration and Notice of Pooled Unit dated the 4th day of November, 2025 but made effective the 30th day of October, 2025, by the undersigned parties, who collectively owns the leasehold estates created under those certain oil and gas leases and any renewals, extensions, ratifications and amendments thereof which are more particularly described on Exhibit "A" attached hereto and incorporated herein by reference for all purposes (the "Leases"), or who collectively own an interest in the oil and gas lease estate in the lands described in the Leases, and who joins in the execution hereof to evidence their consent to the pooling, unitization and combination of the Leases and oil and gas estates herein described.

RECITALS

WHEREAS, each of the Leases authorizes the lessee thereunder to pool, unitize or combine all or a portion of the lands covered thereby with other land and leases, to form a pooled unit for the exploration, development and production of oil, gas and associated and constituent hydrocarbons from the lands covered by the Leases; or by their execution thereof Lessors hereby agree to said pooling and unitization; and

WHEREAS, the pooling, unitization and combination of the Leases and oil and gas estates to the extent necessary to form the hereinafter described pooled unit are necessary and advisable

in the judgment of the undersigned to efficiently and effectively develop the oil and gas rights within such unit.

WHEREAS, Rice Drilling D LLC ("RICE") is the Operator for all oil and/or gas well(s) drilled within the pooled unit, and executes this document on behalf of itself and as agent for all interest owners in the leases to the extent that they do not separately join in the execution hereof.

NOW, THEREFORE, in order to establish and provide proper notice for the creation of the hereinafter described unit, the undersigned hereby declare as follows:

1. **Unit Name.** The pooled unit created hereby shall be known as the Big Tex 1, containing 756.674262 acres, more or less ("the Unit").
2. **Description of Unit:** The Unit shall consist of 756.674262 acres, more or less, being all or a portion of the Leases listed on Exhibit "A" which is attached hereto and incorporated herein by reference for all purposes. This Declaration and Notice of Pooled Unit covers all production from the lands described on Exhibit "A" which is produced from any well drilled within the unit.
3. **Declaration of Unit.** In accordance with the provision of the Leases, the undersigned does hereby declare, pool, unitize and combine all or portions of the Leases, including all renewals, extensions, ratifications and amendments thereof by the undersigned, insofar as the same contributes to the Unit, and the lands covered thereby and the oil and gas estates therein, to the extent necessary to form and create a pooled unit for the exploration, development and production of oil, gas and associated constituent hydrocarbons as described below. Production from the unit shall be allocated proportionately among all of the tracts pooled within the Unit in the proportion which the number of surface acres in such tract bears to the total number of surface acres in the Unit, and as more particularly described on Exhibit A. If at any time any tract of land or interest within the Unit is not properly pooled or unitized hereby, or is not otherwise committed to the Unit, such fact shall not affect, terminate, impair or otherwise invalidate the Unit as to any interest pooled or unitized hereby.
4. **Unitized Formations.** It is the intent of the Declaration and Notice of Pooled Unit to pool, unitize and combine the Leases described in Exhibit A without limitation as to the depths and formations covered in the Leases, LESS and EXCEPT any zones or formations that are

producing and covered any pre-existing valid declaration of production unit(s) applicable to the same lands.

5. **Effect of Pooled Unit.** The effect of this Declaration and Notice of Pooled Unit shall be that operations and/or production (or the equivalent as in the case of shut-in payments), as contemplated by the Leases, anywhere within the Unit shall be deemed to be operations and/or production on each separate tract sufficient to extend and maintain each included lease in the Unit. As to any part of the Unit, drilling, operations in preparation for drilling, production, or shut-in production, or payments made as to any part of the Unit, shall have the same effect as if a well were located on, or the subject activity attributable to, the property or lands subject to the Leases. The production of oil, gas and associated constituent hydrocarbons from any part of the Unit shall constitute production of such substances from all of the Leases. Drilling or reworking operations or other operations conducted on any lands or Leases within the Unit shall constitute such operations for the production of oil, gas and associated constituent hydrocarbons on all of the Leases within the Unit. The filing of this Declaration is a preparation for exploration or drilling that shall constitute the beginning of operations on the Unit. Nothing contained in this Declaration shall be deemed an assignment or cross-assignment of interests covered hereby.

6. **Additional Interest Included.** In the event the undersigned, as of the effective date hereof, own(s) any leasehold interest and/or mineral and/or royalty interest other than those specifically described or referred to herein and covering lands within the Unit, or any interest for which ratification of the Unit created hereby is necessary, and the undersigned inadvertently failed to include said interest on the exhibits attached hereto, then said interests are hereby pooled and combined into said Unit as hereby declared, without the necessity of specifically enumerating such interest or interests and the specific land which they cover or in which they are held.

7. **Right to Amend.** The undersigned hereby expressly reserve the right, from time to time, to correct, alter or amend this Declaration and Notice of Pooled Unit, and the respective terms and provisions hereof, and to change the size and area of, and interests covered by the Unit, including without limitation, the power (i) to change, reduce, enlarge, or extend the size or configuration of the Unit; (ii) to include in the Unit described herein or in any amendment hereto, oil, gas and mineral leases, or interests in the lands described therein, covering interests in the Unit, which are secured or obtained subsequent to the effective date hereof, or prior to the effective date hereof and not included and described herein; (iii) to include in the Unit described

herein or any amendments hereto, full or undivided interest in the Unit which are not otherwise included herein by the respective owner of such full or undivided interests; and (iv) to change the allocation of oil and gas production attributable to the various lands, leases and owners thereof in accordance with the preceding subparagraph (i) through (iii) above. Any such amendment hereof shall be executed by the operator of the Unit (the "Operator") on behalf of the undersigned. By execution of this Declaration, the undersigned do not exhaust their right to pool the Leases and lands hereinabove described with other leases and lands as to any other minerals, horizon or strata covered thereby, and they expressly reserve to themselves, their assignees or successors in interest, the right and power to pool and unitize the above described Leases and lands with any other leases, lands, horizons or strata in the vicinity and so far as the power, right and authority to do so is granted in the subject leases and exercised in accordance with applicable rules and regulations of any governmental regulatory body or agency having jurisdiction.

8. **Dissolution of Unit.** The Unit formed hereby may be dissolved by RICE, acting as the Operator of the Unit, with the consent of the undersigned, at any time by filing an appropriate instrument of record in the county in which the Unit is located, after any failure to establish unit production or after cessation of operations upon the Unit.

9. **Cross-Unit Wellbores.** The Unit may contain wellbores which either (i) originate in another unit but which traverse the unit boundaries into this Unit or (ii) alternatively, wellbores which originate in this Unit and traverse unit boundaries into another unit (each a "Cross-Unit Wellbore"). To the extent that this Unit contains Cross-Unit Wellbores, their allocations to this Unit will be set forth in the Allocation Factor column included on Exhibit "B", attached hereto and made a part hereof.

10. **Binding upon Assigns and Successors.** This instrument shall bind, inure to the benefit of, and be exercised by heirs, assigns, and successors in interest of all parties hereto and affected hereby.

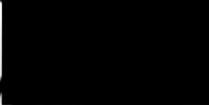

11. **Counterparts.** This Declaration and Notice of Pooled Unit may be executed in one or more counterparts, each of which will be deemed to be an original for all purposes and all of which, when taken together, will be deemed to constitute one and the same document as if all signatures were included therein. The failure of one or more of the signatory parties listed below to execute this instrument or a counterpart thereof shall not in any manner affect the validity of same as to the parties who do execute this instrument.

12. **Effective Date.** This Unit is effective as of the date listed hereinabove, and subject to paragraph 8, shall remain in force as long as oil and gas are being produced from the Unit, or so long as the Leases are maintained in force and effect by payment or tender of shut-in royalties, or by other means, in accordance with the terms and provisions of the Leases, except that expiration of any individual lease within the Unit shall not operate to terminate the Unit, pursuant to paragraph 3.

EXECUTED by the undersigned parties on the respective dates of acknowledgment hereof, to be effective for all purposes from the effective date listed hereinabove.

IN WITNESS WHEREOF, this instrument is executed on this 4th day of November, 2025 but made effective the 30th day of October, 2025.
