106 2/3 acres, more or less, situated in La Salle County, Texas, being a part of the lands of the La Salle Company, as shown by plat of Subdivision of the O'Conner Ranch made for the La Salle Company, which plat is of record in Volume E-2, Page 21, in the office of the County Clerk, of La Salle County, Texas, and is also a part of Block No. 27 of said Subdivision, as described in Deed dated May 22, 1925, and recorded in Volume Q-2, Page 128, in La Salle County, Texas, and as more fully described as follows: Beginning at a stake set in the East boundary line of Block No. 27, 633-1/3 varas South from the N.E. corner of said Block for the beginning point hereof, same being the N.E. corner hereof; Thence South with the East line of said Block 27, 633-1/3 varas to stake for corner, the S.E. corner hereof; Thence West parallel with South line of said Block 950 varas to stake for corner, the S.W. corner hereof; Thence North 633-1/3 varas, parallel with the East line of said Block to stake for corner, the N.W. corner hereof; Thence East, 950 varas, parallel with the South line of said Block, to the place of beginning.

The Lands subject to this Deed also include all strips, gores, roadways, water bottoms and other lands adjacent to or contiguous with the Lands specifically described above and owned or claimed by Grantor. If the description above proves incorrect in any respect or does not include these adjacent or contiguous lands, Grantor shall, without additional consideration, execute, acknowledge, and deliver to Grantee, its successors and assigns, such instruments as are useful or necessary to correct the description and evidence such correction in the appropriate public records.

For the same consideration, Grantor also sells, assigns, transfers, and conveys to Grantee, its successors and assigns, by this Deed (i) the rights of ingress, egress, and possession at all times to mine, drill, and explore the Lands for oil, gas, and other minerals, and to produce, store, dehydrate, compress, treat, process, transport, market, and remove them from the Lands, and to exercise all other rights lawfully belonging to the oil, gas, and mineral estate; (ii) each valid and subsisting oil, gas, and/or other mineral lease evidenced in the public records of the above-named county, insofar as it covers the Lands (and this conveyance is made subject to each lease, insofar as it covers the Lands), together with all royalties, shut-in royalties, delay rentals paid to extend the term within which operations may be conducted on the Lands, and other rights and interests under each lease, insofar as it covers the Lands; and (iii) all royalties, revenues, payments, accounts, suspended funds, refunds, interest on overdue payments, and other things of value payable by any lessee, operator, purchaser of production, seller of production, or other person, with respect to any oil, gas and/or other minerals produced from, or attributable to, the Lands after the Effective Date of this Deed.

Grantor and Grantee agree that any claims for overpayment of royalties for production prior to Effective Date shall be the responsibility of Grantor and that any payments received by Grantee for underpayment of royalties attributable to production prior to Effective Date shall be paid by Grantee to Grantor.

Grantor agrees to execute such further instruments as may be reasonably requested or required to allow Grantee full use and enjoyment of the interest conveyed by this Deed. Grantor agrees that Grantee shall have the right at any time to redeem for Grantor by payment any mortgage, taxes, or liens on the Lands upon default in payment by Grantor and be subrogated to the rights of the holder

thereof.

In this instrument, "including" and "includes" means "including, but not limited to"; "other minerals" includes coal, lignite, uranium, sulphur, iron ore, and every other "mineral" now or hereafter recognized as such under the laws of Texas; the plural includes the singular, and vice versa; each gender includes the other; and references to "Grantors" includes "Grantors, or any of them."

By execution of this instrument, Grantor also authorizes and directs all persons responsible for paying and/or delivering the royalties subject to this instrument (the "subject royalties") to commence paying and/or delivering the subject royalties to Grantee in accordance with this instrument. Grantor warrants and represents to each such person and to that person's heirs, successors, assigns and legal representatives that, prior to making this conveyance, Grantor was the lawful owner of the subject royalties and that Grantor has not heretofore conveyed the subject royalties to any other person. Grantor shall indemnify and hold each person responsible for paying and/or delivering the subject royalties, and that person's heirs, successors, assigns and legal representatives harmless from and against any lawful claims to the subject royalties of Grantor.

STATUTORY NOTICE: TEXAS PROPERTY CODE §5.151 "BY EXECUTING AND DELIVERING THIS INSTRUMENT YOU ARE SELLING ALL OR A PORTION OF YOUR MINERAL OR ROYALTY INTEREST AS DESCRIBED HEREIN".

TO HAVE AND TO HOLD the above-described Lands and rights, together with all and singular the rights and appurtenances thereto in any wise belonging, unto said Grantee, and Grantee's heirs, successors, administrators, executors and assigns forever, and Grantor does hereby bind himself and his, herself and her, itself and its, and/or themselves and their (as the case may be) heirs, successors, administrators, executors and assigns to warrant and forever defend all and singular, the said Lands and rights unto the said Grantee, and Grantee's heirs, successors, administrators, executors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof. Grantee does hereby warrant that the interest herein conveyed covers all depths and all formations.

This Mineral and Royalty Deed is expressly made subject to, and incorporates by reference, the terms of that certain Purchase and Sale Agreement (the "Agreement") between Grantor and Grantee. Capitalized terms used, but not otherwise defined herein, are defined in the Agreement. The delivery of this Mineral and Royalty Deed shall not affect, enlarge, diminish, or otherwise impair any of the representations, warranties, covenants, indemnities, terms, or provisions of the Agreement. The representations, warranties, covenants, indemnities, terms, and provisions contained in the Agreement shall not be merged with or into this Mineral and Royalty Deed but shall survive the execution and delivery of this Mineral and Royalty Deed to the extent, and in the manner, set forth in the Agreement. In the event of an express conflict between this Mineral and Royalty Deed and the Agreement, then the terms and conditions of the Agreement shall control. Grantee shall retain a fully executed copy of the Agreement at its principal place of business.

This instrument may be executed in one or more counterparts or in multiple originals, either one of which shall be deemed valid, and when taken together shall constitute one instrument. All

The Lands subject to this Deed also include all strips, gores, roadways, water bottoms and other lands adjacent to or contiguous with the Lands specifically described above and owned or claimed by Grantor. If the description above proves incorrect in any respect or does not include these adjacent or contiguous lands, Grantor shall, without additional consideration, execute, acknowledge, and deliver to Grantee, its successors and assigns, such instruments as are useful or necessary to correct the description and evidence such correction in the appropriate public records.

For the same consideration, Grantor also sells, assigns, transfers, and conveys to Grantee, its successors and assigns, by this Deed (i) the rights of ingress, egress, and possession at all times to mine, drill, and explore the Lands for oil, gas, and other minerals, and to produce, store, dehydrate, compress, treat, process, transport, market, and remove them from the Lands, and to exercise all other rights lawfully belonging to the oil, gas, and mineral estate; (ii) each valid and subsisting oil, gas, and/or other mineral lease evidenced in the public records of the above-named county, insofar as it covers the Lands (and this conveyance is made subject to each lease, insofar as it covers the Lands), together with all royalties, shut-in royalties, delay rentals paid to extend the term within which operations may be conducted on the Lands, and other rights and interests under each lease, insofar as it covers the Lands; and (iii) all royalties, revenues, payments, accounts, suspended funds, refunds, interest on overdue payments, and other things of value payable by any lessee, operator, purchaser of production, seller of production, or other person, with respect to any oil, gas and/or other minerals produced from, or attributable to, the Lands after the Effective Date of this Deed.

Grantor and Grantee agree that any claims for overpayment of royalties for production prior to Effective Date shall be the responsibility of Grantor and that any payments received by Grantee for underpayment of royalties attributable to production prior to Effective Date shall be paid by Grantee to Grantor.

Grantor agrees to execute such further instruments as may be reasonably requested or required to allow Grantee full use and enjoyment of the interest conveyed by this Deed. Grantor agrees that Grantee shall have the right at any time to redeem for Grantor by payment any mortgage, taxes, or liens on the Lands upon default in payment by Grantor and be subrogated to the rights of the holder thereof.

In this instrument, "including" and "includes" means "including, but not limited to"; "other minerals" includes coal, lignite, uranium, sulphur, iron ore, and every other "mineral" now or hereafter recognized as such under the laws of Texas; the plural includes the singular, and vice versa; each gender includes the other; and references to "Grantors" includes "Grantors, or any of them."

By execution of this instrument, Grantor also authorizes and directs all persons responsible for paying and/or delivering the royalties subject to this instrument (the "subject royalties") to commence paying and/or delivering the subject royalties to Grantee in accordance with this instrument. Grantor warrants and represents to each such person and to that person's heirs, successors, assigns and legal representatives that, prior to making this conveyance, Grantor was the lawful owner of the subject royalties and that Grantor has not heretofore conveyed the subject

royalties to any other person. Grantor shall indemnify and hold each person responsible for paying and/or delivering the subject royalties, and that person's heirs, successors, assigns and legal representatives harmless from and against any lawful claims to the subject royalties of Grantor.

STATUTORY NOTICE: TEXAS PROPERTY CODE §5.151 "BY EXECUTING AND DELIVERING THIS INSTRUMENT YOU ARE SELLING ALL OR A PORTION OF YOUR MINERAL OR ROYALTY INTEREST AS DESCRIBED HEREIN".

TO HAVE AND TO HOLD the above-described Lands and rights, together with all and singular the rights and appurtenances thereto in any wise belonging, unto said Grantee, and Grantee's heirs, successors, administrators, executors and assigns forever, and Grantor does hereby bind himself and his, herself and her, itself and its, and/or themselves and their (as the case may be) heirs, successors, administrators, executors and assigns to warrant and forever defend all and singular, the said Lands and rights unto the said Grantee, and Grantee's heirs, successors, administrators, executors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof. Grantee does hereby warrant that the interest herein conveyed covers all depths and all formations.

This Mineral and Royalty Deed is expressly made subject to, and incorporates by reference, the terms of that certain Purchase and Sale Agreement (the "Agreement") between Grantor and Grantee. Capitalized terms used, but not otherwise defined herein, are defined in the Agreement. The delivery of this Mineral and Royalty Deed shall not affect, enlarge, diminish, or otherwise impair any of the representations, warranties, covenants, indemnities, terms, or provisions of the Agreement. The representations, warranties, covenants, indemnities, terms, and provisions contained in the Agreement shall not be merged with or into this Mineral and Royalty Deed but shall survive the execution and delivery of this Mineral and Royalty Deed to the extent, and in the manner, set forth in the Agreement. In the event of an express conflict between this Mineral and Royalty Deed and the Agreement, then the terms and conditions of the Agreement shall control. Grantee shall retain a fully executed copy of the Agreement at its principal place of business.

This instrument may be executed in one or more counterparts or in multiple originals, either one of which shall be deemed valid, and when taken together shall constitute one instrument. All additions, changes, deletions, or attachments to this instrument are recognized by Grantors as having been made prior to its execution and acknowledgment.

The Lands subject to this Deed also include all strips, gores, roadways, water bottoms and other lands adjacent to or contiguous with the Lands specifically described above and owned or claimed by Grantor. If the description above proves incorrect in any respect or does not include these adjacent or contiguous lands, Grantor shall, without additional consideration, execute, acknowledge, and deliver to Grantee, its successors and assigns, such instruments as are useful or necessary to correct the description and evidence such correction in the appropriate public records.

For the same consideration, Grantor also sells, assigns, transfers, and conveys to Grantee, its successors and assigns, by this Deed (i) the rights of ingress, egress, and possession at all times to mine, drill, and explore the Lands for oil, gas, and other minerals, and to produce, store, dehydrate, compress, treat, process, transport, market, and remove them from the Lands, and to exercise all other rights lawfully belonging to the oil, gas, and mineral estate; (ii) each valid and subsisting oil, gas, and/or other mineral lease evidenced in the public records of the above-named county, insofar as it covers the Lands (and this conveyance is made subject to each lease, insofar as it covers the Lands), together with all royalties, shut-in royalties, delay rentals paid to extend the term within which operations may be conducted on the Lands, and other rights and interests under each lease, insofar as it covers the Lands; and (iii) all royalties, revenues, payments, accounts, suspended funds, refunds, interest on overdue payments, and other things of value payable by any lessee, operator, purchaser of production, seller of production, or other person, with respect to any oil, gas and/or other minerals produced from, or attributable to, the Lands after the Effective Date of this Deed.

Grantor and Grantee agree that any claims for overpayment of royalties for production prior to Effective Date shall be the responsibility of Grantor and that any payments received by Grantee for underpayment of royalties attributable to production prior to Effective Date shall be paid by Grantee to Grantor.

Grantor agrees to execute such further instruments as may be reasonably requested or required to allow Grantee full use and enjoyment of the interest conveyed by this Deed. Grantor agrees that Grantee shall have the right at any time to redeem for Grantor by payment any mortgage, taxes, or liens on the Lands upon default in payment by Grantor and be subrogated to the rights of the holder thereof.

In this instrument, "including" and "includes" means "including, but not limited to"; "other minerals" includes coal, lignite, uranium, sulphur, iron ore, and every other "mineral" now or hereafter recognized as such under the laws of Texas; the plural includes the singular, and vice versa; each gender includes the other; and references to "Grantors" includes "Grantors, or any of them."

By execution of this instrument, Grantor also authorizes and directs all persons responsible for paying and/or delivering the royalties subject to this instrument (the "subject royalties") to commence paying and/or delivering the subject royalties to Grantee in accordance with this instrument. Grantor warrants and represents to each such person and to that person's heirs, successors, assigns and legal representatives that, prior to making this conveyance, Grantor was the lawful owner of the subject royalties and that Grantor has not heretofore conveyed the subject royalties to any other person. For and in consideration of the sum of Ten Dollars (\$10.00) and other valuable consideration, cash in hand paid by Grantee, the receipt and sufficiency of which are hereby acknowledged, by this Mineral and Royalty Deed (the "Deed"), Grantor (whether one or more), named above, has granted, sold, conveyed, assigned and delivered, and by these presents does grant, sell, convey, assign, set over and deliver unto Grantee (whether one or more), named above, 1/3 of Grantor's right, title and interest in and to all oil, gas, and other minerals, including royalty, overriding royalty, unit interests and mineral interests of whatever nature, in, on and under and that may be produced from or attributable to the following land or lands (the "Lands") in LaSalle County, Texas, to wit:

106 2/3 acres, more or less, situated in La Salle County, Texas, being a part of the lands of the La Salle Company, as shown by plat of Subdivision of the O'Conner Ranch made for the La Salle Company, which plat is of record in Volume E-2, Page 21, in the office of the County Clerk, of La Salle County, Texas, and is also a part of Block No. 27 of said Subdivision, as described in Deed dated May 22, 1925, and recorded in Volume Q-2, Page 105, in La Salle County, Texas, and as more fully described as follows: Beginning at the N.E. corner of Block No. 27, Thence S. with the E. line of said Block 633-1/3 varas to stake for corner, the S.E. corner hereof; Thence W. parallel with the N. line of said Block 950 varas to stake for corner, the S.W. corner hereof; Thence N. parallel with E. line of said Block 633-1/3 varas to stake in N. line of said Block for the N.W. corner hereof; Thence East with the N. line of said Block 950 varas to the place of beginning; and

106 2/3 acres, more or less, situated in La Salle County, Texas, being a part of the lands of the La Salle Company, as shown by plat of Subdivision of the O'Conner Ranch made for the La Salle Company, which plat is of record in Volume E-2, Page 21, in the office of the County Clerk, of La Salle County, Texas, and is also a part of Block No. 27 of said Subdivision, as described in Deed dated May 22, 1925, and recorded in Volume Q-2, Page 128, in La Salle County, Texas, and as more fully described as follows: Beginning at a stake set in the East boundary line of Block No. 27, 633-1/3 varas South from the N.E. corner of said Block for the beginning point hereof, same being the N.E. corner hereof; Thence South with the East line of said Block 27, 633-1/3 varas to stake for corner, the S.E. corner hereof; Thence West parallel with South line of said Block 950 varas to stake for corner, the S.W. corner hereof; Thence North 633-1/3 varas, parallel with the East line of said Block to stake for corner, the N.W. corner hereof; Thence East, 950 varas, parallel with the South line of said Block, to the place of beginning.

The Lands subject to this Deed also include all strips, gores, roadways, water bottoms and other lands adjacent to or contiguous with the Lands specifically described above and owned or claimed by Grantor. If the description above proves incorrect in any respect or does not include these adjacent or contiguous lands, Grantor shall, without additional consideration, execute, acknowledge, and deliver to Grantee, its successors and assigns, such instruments as are useful or necessary to correct the description and evidence such correction in the appropriate public records.

For the same consideration, Grantor also sells, assigns, transfers, and conveys to Grantee, its successors and assigns, by this Deed (i) the rights of ingress, egress, and possession at all times to mine, drill, and explore the Lands for oil, gas, and other minerals, and to produce, store, dehydrate, compress, treat, process, transport, market, and remove them from the Lands, and to exercise all other rights lawfully belonging to the oil, gas, and mineral estate; (ii) each valid and subsisting oil, gas, and/or other mineral lease evidenced in the public records of the above-named county, insofar as it covers the Lands (and this conveyance is made subject to each lease, insofar as it covers the Lands), together with all royalties, shut-in royalties, delay rentals paid to extend the term within which operations may be conducted on the Lands, and other rights and interests under each lease, insofar as it covers the Lands; and (iii) all royalties, revenues, payments, accounts, suspended funds, refunds, interest on overdue payments, and other things of value payable by any lessee, operator, purchaser of production, seller of production, or other person, with respect to any oil, gas and/or other minerals produced from, or attributable to, the Lands after the Effective Date of this Deed.

Grantor and Grantee agree that any claims for overpayment of royalties for production prior to Effective Date shall be the responsibility of Grantor and that any payments received by Grantee for underpayment of royalties attributable to production prior to Effective Date shall be paid by Grantee to Grantor.

Grantor agrees to execute such further instruments as may be reasonably requested or required to allow Grantee full use and enjoyment of the interest conveyed by this Deed. Grantor agrees that Grantee shall have the right at any time to redeem for Grantor by payment any mortgage, taxes, or liens on the Lands upon default in payment by Grantor and be subrogated to the rights of the holder

thereof.

The Lands subject to this Deed also include all strips, gores, roadways, water bottoms and other lands adjacent to or contiguous with the Lands specifically described above and owned or claimed by Grantor. If the description above proves incorrect in any respect or does not include these adjacent or contiguous lands, Grantor shall, without additional consideration, execute, acknowledge, and deliver to Grantee, its successors and assigns, such instruments as are useful or necessary to correct the description and evidence such correction in the appropriate public records.

For the same consideration, Grantor also sells, assigns, transfers, and conveys to Grantee, its successors and assigns, by this Deed (i) the rights of ingress, egress, and possession at all times to mine, drill, and explore the Lands for oil, gas, and other minerals, and to produce, store, dehydrate, compress, treat, process, transport, market, and remove them from the Lands, and to exercise all other rights lawfully belonging to the oil, gas, and mineral estate; (ii) each valid and subsisting oil, gas, and/or other mineral lease evidenced in the public records of the above-named county, insofar as it covers the Lands (and this conveyance is made subject to each lease, insofar as it covers the Lands), together with all royalties, shut-in royalties, delay rentals paid to extend the term within which operations may be conducted on the Lands, and other rights and interests under each lease, insofar as it covers the Lands; and (iii) all royalties, revenues, payments, accounts, suspended funds, refunds, interest on overdue payments, and other things of value payable by any lessee, operator, purchaser of production, seller of production, or other person, with respect to any oil, gas and/or other minerals produced from, or attributable to, the Lands after the Effective Date of this Deed.

Grantor and Grantee agree that any claims for overpayment of royalties for production prior to Effective Date shall be the responsibility of Grantor and that any payments received by Grantee for underpayment of royalties attributable to production prior to Effective Date shall be paid by Grantee to Grantor.

Grantor agrees to execute such further instruments as may be reasonably requested or required to allow Grantee full use and enjoyment of the interest conveyed by this Deed. Grantor agrees that Grantee shall have the right at any time to redeem for Grantor by payment any mortgage, taxes, or liens on the Lands upon default in payment by Grantor and be subrogated to the rights of the holder thereof.

In this instrument, "including" and "includes" means "including, but not limited to"; "other minerals" includes coal, lignite, uranium, sulphur, iron ore, and every other "mineral" now or hereafter recognized as such under the laws of Texas; the plural includes the singular, and vice versa; each gender includes the other; and references to "Grantors" includes "Grantors, or any of them."

By execution of this instrument, Grantor also authorizes and directs all persons responsible for paying and/or delivering the royalties subject to this instrument (the "subject royalties") to commence paying and/or delivering the subject royalties to Grantee in accordance with this instrument. Grantor warrants and represents to each such person and to that person's heirs, successors, assigns and legal representatives that, prior to making this conveyance, Grantor was the lawful owner of the subject royalties and that Grantor has not heretofore conveyed the subject royalties to any other person. Grantor shall indemnify and hold each person responsible for paying

For and in consideration of the sum of Ten Dollars (\$10.00) and other valuable consideration, cash in hand paid by Grantee, the receipt and sufficiency of which are hereby acknowledged, by this Mineral and Royalty Deed (the "Deed"), Grantor (whether one or more), named above, has granted, sold, conveyed, assigned and delivered, and by these presents does grant, sell, convey, assign, set over and deliver unto Grantee (whether one or more), named above, ALL of Grantor's right, title and interest in and to all oil, gas, and other minerals, including royalty, overriding royalty, unit interests and mineral interests of whatever nature, in, on and under and that may be produced from or attributable to the following land or lands (the "Lands") in LaSalle County, Texas, to wit:

106 2/3 acres, more or less, out of Block 27, of the Subdivision of the O'Connor Ranch as per plat thereof in Volume E-2, Page 21, LaSalle County, Texas, as described in the Deed dated May 22, 1925, from S.J. Merka, et al, to Frank S. Leshikar, recorded in Volume Q-2, at Page 105, LaSalle County Deed Records, said land being part of the J. Lindsey Survey, A-563, the M.C. Shiner Survey #8, A-1325, and the S.J. Dodd Survey, A-148, LaSalle County, Texas.

106 2/3 acres, more or less, out of Block 27, of the Subdivision of the O'Connor Ranch as per plat thereof in Volume E-2, Page 21, LaSalle County, Texas, as described in the Deed dated May 22, 1925, from S.J. Merka, et al, to John Svadlenak, et al, recorded in Volume Q-2, at Page 128, LaSalle County Deed Records, said land being part of the J. Lindsey Survey, A-563, the M.C. The Lands subject to this Deed also include all strips, gores, roadways, water bottoms and other lands adjacent to or contiguous with the Lands specifically described above and owned or claimed by Grantor. If the description above proves incorrect in any respect or does not include these adjacent or contiguous lands, Grantor shall, without additional consideration, execute, acknowledge, and deliver to Grantee, its successors and assigns, such instruments as are useful or necessary to correct the description and evidence such correction in the appropriate public records.

For the same consideration, Grantor also sells, assigns, transfers, and conveys to Grantee, its successors and assigns, by this Deed (i) the rights of ingress, egress, and possession at all times to mine, drill, and explore the Lands for oil, gas, and other minerals, and to produce, store, dehydrate, compress, treat, process, transport, market, and remove them from the Lands, and to exercise all other rights lawfully belonging to the oil, gas, and mineral estate; (ii) each valid and subsisting oil, gas, and/or other mineral lease evidenced in the public records of the above-named county, insofar as it covers the Lands (and this conveyance is made subject to each lease, insofar as it covers the Lands), together with all royalties, shut-in royalties, delay rentals paid to extend the term within which operations may be conducted on the Lands, and other rights and interests under each lease, insofar as it covers the Lands; and (iii) all royalties, revenues, payments, accounts, suspended funds, refunds, interest on overdue payments, and other things of value payable by any lessee, operator, purchaser of production, seller of production, or other person, with respect to any oil, gas and/or other minerals produced from, or attributable to, the Lands after the Effective Date of this Deed.

Grantor and Grantee agree that any claims for overpayment of royalties for production prior to Effective Date shall be the responsibility of Grantor and that any payments received by Grantee for underpayment of royalties attributable to production prior to Effective Date shall be paid by Grantee to Grantor.

Grantor agrees to execute such further instruments as may be reasonably requested or required to allow Grantee full use and enjoyment of the interest conveyed by this Deed. Grantor agrees that Grantee shall have the right at any time to redeem for Grantor by payment any mortgage, taxes, or liens on the Lands upon default in payment by Grantor and be subrogated to the rights of the holder thereof.

In this instrument, "including" and "includes" means "including, but not limited to"; "other minerals" includes coal, lignite, uranium, sulphur, iron ore, and every other "mineral" now or hereafter recognized as such under the laws of Texas; the plural includes the singular, and vice versa; each gender includes the other; and references to "Grantors" includes "Grantors, or any of them."

By execution of this instrument, Grantor also authorizes and directs all persons responsible for paying and/or delivering the royalties subject to this instrument (the "subject royalties") to commence paying and/or delivering the subject royalties to Grantee in accordance with this instrument. Grantor warrants and represents to each such person and to that person's heirs, successors, assigns and legal representatives that, prior to making this conveyance, Grantor was the lawful owner of the subject royalties and that Grantor has not heretofore conveyed the subject royalties to any other person. Grantor shall indemnify and hold each person responsible for paying

and/or delivering the subject royalties, and that person's heirs, successors, assigns and legal representatives harmless from and against any lawful claims to the subject royalties of Grantor.

STATUTORY NOTICE: TEXAS PROPERTY CODE §5.151 "BY EXECUTING AND DELIVERING THIS INSTRUMENT YOU ARE SELLING ALL OR A PORTION OF YOUR MINERAL OR ROYALTY INTEREST AS DESCRIBED HEREIN".

TO HAVE AND TO HOLD the above-described Lands and rights, together with all and singular the rights and appurtenances thereto in any wise belonging, unto said Grantee, and Grantee's heirs, successors, administrators, executors and assigns forever, and Grantor does hereby bind himself and his, herself and her, itself and its, and/or themselves and their (as the case may be) heirs, successors, administrators, executors and assigns to warrant and forever defend all and singular, the said Lands and rights unto the said Grantee, and Grantee's heirs, successors, administrators, executors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof. Grantee does hereby warrant that the interest herein conveyed covers all depths and all formations.

This Mineral and Royalty Deed is expressly made subject to, and incorporates by reference, the terms of that certain Purchase and Sale Agreement (the "Agreement") between Grantor and Grantee. Capitalized terms used, but not otherwise defined herein, are defined in the Agreement. The delivery of this Mineral and Royalty Deed shall not affect, enlarge, diminish, or otherwise impair any of the representations, warranties, covenants, indemnities, terms, or provisions of the Agreement. The representations, warranties, covenants, indemnities, terms, and provisions contained in the Agreement shall not be merged with or into this Mineral and Royalty Deed but shall survive the execution and delivery of this Mineral and Royalty Deed to the extent, and in the manner, set forth in the Agreement. In the event of an express conflict between this Mineral and Royalty Deed and the Agreement, then the terms and conditions of the Agreement shall control. Grantee shall retain a fully executed copy of the Agreement at its principal place of business.

This instrument may be executed in one or more counterparts or in multiple originals, either one of which shall be deemed valid, and when taken together shall constitute one instrument. All additions, changes, deletions, or attachments to this instrument are recognized by Grantors as having been made prior to its execution and acknowledgment.

Correction of Mineral and Royalty Deed

Notice of confidentiality rights: If you are a natural person, you may remove or strike any or all of the following information from any instrument that transfers an interest in real property before it is filed for record in the public records: your Social Security number or your driver's license number.

State: Texas

County: LaSalle

Date: Effective November 1, 2019, regardless of the date actually executed by the undersigned

Grantor: Carolyn Sewell Lesikar, [REDACTED]

Grantee:

Consideration: The correction made herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

Property:

106 2/3 acres, more or less, out of Block 27, of the Subdivision of the O'Connor Ranch as per plat thereof in Volume E-2, Page 21, LaSalle County, Texas, as described in the Deed dated May 22, 1925, from S.J. Merka, et al, to Frank S. Leshikar, recorded in Volume Q-2, at Page 105, LaSalle County Deed Records, said land being part of the J. Lindsey Survey, A-563, the M.C. Shiner Survey #8, A-1325, and the S.J. Dodd Survey, A-148, LaSalle County, Texas.

106 2/3 acres, more or less, out of Block 27, of the Subdivision of the O'Connor Ranch as per plat thereof in Volume E-2, Page 21, LaSalle County, Texas, as described in the Deed dated May 22, 1925, from S.J. Shiner Survey #8, A-1325, and the S.J. Dodd Survey, A-148, LaSalle County, Texas.

Grantor, for the Consideration and subject to the terms of the Corrected Deed (as modified herein), grants, sells, and conveys to Grantee all of Grantor's right, title and interest in and to all oil, gas, and other minerals, including royalty, overriding royalty, unit interests and mineral interests of whatever nature, in, on and under and that may be produced from or attributable to the Property. Grantor binds Grantor and Grantor's heirs and successors to warrant and forever defend all and singular the Property to Grantee and Grantee's heirs, successors, and assigns against every person whomsoever lawfully claiming or to claim the same or any part thereof.

When the context requires, singular nouns and pronouns include the plural.

This deed is made as a correction deed in substitution of the deed titled "Mineral and Royalty Deed" (Corrected Deed") recorded January 13, 2020 as Document No. 00133194, Volume 1062, Page 118 of the real property records of LaSalle County, Texas, to correct the following incorrect information: The Corrected Deed erroneously included an incorrect legal description of the Property conveyed. The correct legal description of the Property is recited herein this deed.

Other than the stated correction, this deed is intended to restate in all respects the Corrected Deed, and the effective date of this correction deed relates back to the effective date of the Corrected Deed.

IN WITNESS WHEREOF, the undersigned has executed this instrument on the date of the acknowledgement annexed hereto, but effective for all purposes as of the Effective Date.

It is the intent of Grantor to convey _____ of all interest it owns in the Property (defined above), including, but not limited to, the interest it acquired via the Sewell, Harrington, Clark, and Moore Deeds.

This deed is limited to only such mineral and royalty interests, revenues and benefits associated with production attributable to the Property, together with any interests in any vertical wells (if any) located within the lateral boundaries of the Property, but this Deed should not be construed as an assignment of wellbore only.

Notwithstanding anything to the contrary herein contained, this conveyance is limited to oil, gas, and associated liquid or liquifiable hydrocarbons or their byproducts, and such sulphur as may be produced therewith. This conveyance does NOT include, and there is hereby reserved unto Grantor, its successors and assigns, all other minerals, including coal, iron ore, lignite, lithium, uranium, bauxite, and any other non-hydrocarbon minerals or hard minerals. If it is unclear as to whether a mineral is reserved to Grantor, this paragraph shall be interpreted as reserving same.

This Deed is made subject to any existing oil and gas lease on the Property now of record which is valid and in force and effect as of the Effective Date of this Deed and is further subject to all conveyances of record.

TO HAVE AND TO HOLD the above-described Property, together with all and singular the rights and appurtenances thereto and anywise belonging unto Grantee, its successors and assigns forever.

Grantee is taking the property in its AS IS condition. Grantor makes no warranties or representations as to fitness or condition. Grantee acknowledges and stipulates that Grantee is relying on its inspections, and not in reliance on any representations or warranties by Grantor as to fitness or condition. **This Conveyance is made expressly without warranty.**

This Deed is signed by Grantors as of the date of acknowledgment of Grantor’s signature below but is effective for all purposes as of the Effective Date stated above.

This instrument may be executed in one or more counterparts or in multiple originals, either one of which shall be deemed valid, and when taken together shall constitute one instrument. All additions, changes, deletions, or attachments to this instrument are recognized by Grantor as having been made prior to its execution and acknowledgment.

BY EXECUTING AND DELIVERING THIS INSTRUMENT YOU ARE SELLING ALL OR A PORTION OF YOUR MINERAL OR ROYALTY INTEREST AS DESCRIBED HEREIN.
